## Comments

Will work with any 70 or 80 series 1911 with a rounded trigger guard. Some fitting may be required. Muzzle support recommended for round trigger guards.

Insert Block Discontinued.

Will work with all generations of 92F pistols.  
Not compatible with US version M9.

Trigger must be round. Older square trigger guards will not fit.

Not compatible with BUL SAS II Metal Frame

CZ are shipping guns with two different style of trigger guard. Please contact us prior to ordering.

CZ are shipping guns with two different style of trigger

guard. Please contact us prior to ordering.

Will work with all generations of SP01 pistols.

Some fitting may be required.

Discontinued.

Will work with all Para double stack pistols.

Some fitting may be required.

Muzzle support recommended for round trigger guards.

You may have to fit the insert as not all revolvers have the same trigger guard contour.

You may have to fit the insert as not all revolvers have the same trigger guard contour.

Make sure your trigger guard is roughly 11.5mm wide!  
Not 13.5mm which would be the X5

Note that SIG P320 X5 will also fit this insert block.

Trigger guard should be about 13.5mm wide. Some fitting may be required.

Trigger guard should be about 13.5mm wide. Some fitting may be required.

Slight modification to the locking tooth is required for the BUL SAS II

For SV Plastic grips use STI/DVC 2011
